Report on Training on CAD CAM Held on Feb 08-Feb to 23-March 2021

Date of Event	**08.02.2021 – 23.03.2021**
Name and Type of Event	**One month Training on CAD CAM**
Conducted by	Mr. Ashwini kumar and Mr. Nivedan Mahato
No. Of Participant	27

One month Training on CAD CAM

ARKA JAIN University Jharkhand and Indo Danish Tool Room Jamshedpur jointly organised one month training program under ESDP activity. Mr. Ratan Dasgupat Training Manager of IDTR put some valuable inputs to our students regarding the facility and machine available at IDTR. Mr Dasgupta given brief introduction about the advanced software related to mechanical engineering. He also instructs our students of safety rule during plant visit. First we went to conventional machining section where all kind of lath and milling machine have working perfectly. In CNC section where approx more than 15 laths and milling machine have install in working condition. Here students have seen how CNC milling operation removing material from a workpiece, students have seen one TRL product how machining the job in live. they got much knowledge from this section. In PRODUCTION UNIT of IDTR students have seen a vacuumed heat treatment machine injection moulding machine, Jig Grinding machine all many more machine. This the last section of the visit
