No of Participants	300

CIMA ORIENTATION

The CIMA Orientation programme was conducted for the students, which was conducted by CMA PRIYA RAMAN (Programme Coordinator), wherein key note speakers graced the event with their presence:

Keynote speakers: Mr. Vineet Pawar, Ms. Zaina

The event was organised at Michael John Auditorium, which started at 9:00 AM. The students gathered and also presented their views on professional courses. The event primarily focussed on the importance of professional courses and their importance in the coming future. CIMA makes professional decisions for students and lays the groundwork for master's level students to approach the required subject.CIMA, as an international certification program, changes its coursework on a regular basis to make it more dynamic and in line with current trends.The event witnessed a large gathering and eminent speakers were asked questions from a diverse range, as per the CIMA curriculum per se. The CIMA certification also validates students to work overseas as their professional certification is valid in more than 175 countries.

After the completion of the event, students were distributed snacks and tea as refreshments and were given a registration slip to fill in if they wanted to pursue CIMA certification or if they had any specific queries.
